Kuriakos is a year-round camping, conference and outdoor education centre, specializing in summer camp and school programs for all ages. We offer programming and rental facilities for gatherings of all sorts.

### 2023 PROGRAM THEME

*I am the Alpha and the Omega, the first and the last, the beginning and the end.” — Revelation 22:13*

#### 3 IN 1 - ONE GOD - THREE PERSONS

Join us as we explore the nature of the Trinity. How does a communal God love and live in unity with people? How do God's people love and live in unity with God and one another?

Below you will find brief descriptions of each camp 'type' we offer—for much more information—including a sample 'Day At Camp', please head to our website!

#### KIDS & YOUTH CAMPS

Campers will experience Belonging, Growth and Togetherness as they learn, play and live in Christian Community. This is a traditional camp experience where campers are supervised by a leader and rotate through fun and meaningful activities throughout each day.

#### ADVENTURE CAMPS

Adventure Camps are a great way to hone your outdoor skills at our Wilderness Site with well trained and passionate staff and a supportive group of peers. Outdoor cooking, advanced canoeing, shelter building, exploring the forest, star gazing and so much more—all while embracing the world God has given us!

#### FAMILY & ADULT CAMPS

Give yourself & your family an experience to remember! At Family Camp, you will play, worship, learn and grow together. Enjoy delicious food and fun activities of all kinds, with faith integrated into all aspects of camp life. Staff support each camper as role models and friends. All definitions of family are welcome—kids of all ages, grandparents, blended families, singles, empty nesters—everyone!

Prime Time is an adult camp for ages 18+. Enjoy all the fun of camp, because we're all children at heart!

#### LEADERS IN TRAINING (LIT)

LIT is about learning to lead at camp and in all areas of life. Our participants come away with confidence and skills they can apply to everyday life, including Emergency First Aid and canoe skill training.

### Three steps to a great summer experience!
